Steel and BIM
Update on AISC and Technology

Luke Faulkner
Director Technology Integration
American Institute of Steel Construction
Ongoing Projects: IFC and steel XML
Clear and Concise - Introduction to BIM

Bridging Document to CoSP – Allows for Quicker Cycle

It is not a Standard nor a Design Guide

Resource for the Industry
AISC Detailing Manual 4th Edition

AISC Committee with NISD representatives
AISC BHAG

BIG HAIRY AUDACIOUS GOAL

50% Faster

2025

This is what a BHAG looks like?
Technology Related Passion Projects
September 27th 2019
