

BIMForum Symposium @

 **BUILDING INNOVATION**
Conference **2026**

DfMA: From Concept to Reality
Advancing Manufacturing-Driven Building Delivery

WHY ATTEND?

- *Start DfMA earlier in design*
- *Align owner requirements with fabrication*
- *Translate design into fabrication-ready data*
- *Optimize offsite + onsite workflows*
- *Improve coordination + digital handoffs*
- *Learn from real-world projects*

WHO SHOULD ATTEND

Owners, Designers, Contractors,
Fabricators, BIM Leaders

BUILDING INNOVATION 2026

Co-located with Building Innovation
Cross-attendance enabled
BIMForum session included in BI

REGISTER NOW

Add-on to Building Innovation
registration or standalone registration.
\$150 to attend BIMForum Day.
